Re: EAU-EANM-ESTRO-ESUR-SIOG Prostate
Cancer Guidelines Panel

Dear professor Ploussard,

I trust this letter finds you well. I am approaching you on behalf of the Chairman and Vice-chair of the EAU-EANM-ESTRO-ESUR-SIOG Prostate Cancer Guidelines Panel, Prof.Dr. N. Mottet and Prof.Dr. P. Cornford. Your name was put forward as a potential excellent addition to this Panel.

In case you agree to join, which we sincerely hope for, some further logistics will need tending to (provision of potential Conflict of Information, which will be posted open access on the EAU website, signing of a non-disclosure agreement and participation in a systematic review training session offered by the EAU Guidelines Office).

Please be aware that panel membership entails a serious time commitment and we can – unfortunately – not provide any remuneration, aside from reimbursing panel meeting related expenses. Panel membership covers a 4-year term, renewable once, to a maximum of 8 years. All Panel members will be formally assessed during their office terms.
